

Metal Hose Manufacturer Although experts in the flexible metallic piping industry, the Company needed assistance in working through an upcoming audit.

BACKGROUND

This metal hose manufacturer is an international producer of flexible metallic piping products. With over 200 patents registered worldwide, this company supplies proprietary products for a broad number of applications and markets.

This metal hose manufacturer was looking for an accounting firm that would be responsive and compatible. They approached Torrillo & Associates, LLC to guide them through the process for planning its 11-K benefit plan audit.

“Torrillo & Associates gave us complete confidence, educated us, and made us feel like this was truly a partnership in a time efficient manner.”

— **Human Resources Director**, Metal Hose Manufacturer

RESULTS

Torrillo & Associates not only helped them with a complex audit, but was there to answer questions right away and coach their internal staff every step along the way.

In the process, they became an indispensable resource upon which the Manufacturer relied.

Torrillo and Associates offered the Company:

- Internal guidance on 11-K audits, changes to the laws, and issues regarding compliance – in addition to other accounting details.
- Once-and-done consultations wherein their vast knowledge and expertise of benefit plans were comprehensively explained.
- A personable, reliable, and approachable team at an affordable price.

Torrillo & Associates, LLC did their job in a thorough and efficient manner, so the Company is able to focus their time on their business.
